

STORAGE

- After play, racecars can be placed in the storage chambers below the winner's circle platform and the ramp; slide storage chamber doors closed to prevent cars from falling out while transporting racetrack.

- Slide switch on bottom of racetrack to "OFF" to prevent accidental activation of spinning and sounds.

- Use the built-in handle to transport the racetrack as needed.

FCC STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy, and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Consult the dealer or an experienced radio/TV technician for help.
